

**GENEROUS DONATION OF LEN DEAN'S MEDALLIONS:** By coincidence, along with the recent release of the Overlanders book, Tracy Scott, Len Dean's daughter, approached the Club about commemorating the epic tour on its 100<sup>th</sup> Anniversary.

The Club certainly will be considering doing exactly that, possibly in February 2027, which will be 100 years since the Overlanders arrived back in Perth after their epic ride from Perth to Adelaide, Melbourne, Sydney and return.

Tracy's Dad features on the cover of the book and also throughout the book of the 1926/27 tour courtesy of his diary. Len Dean is instantly recognisable by his unruly hair!

Tracy was thrilled to see her Father in print and generously donated to the Club a collection of her Father's motorcycle medallions. This collection is exceedingly rare and many of the medals are hallmarked and made of 9 carat gold. They certainly knew how to mark occasions in the 1920s!

Such a generous donation will ensure this unique collection of WA motorcycling heritage will be preserved intact.
